4) In para 3 of the letter the Registrar gives the reason for the proposal to take an inspector and an extra peon along with him on the present occasion.

Call for orders 5) The places which the Registrar proposes to visit are not in one and the same route. They are far apart from each other. Where travelling to the places mentioned by the Registrar will occupy no less than 25 days. If a real study has to be made of the institutions in or near to those places the deputation may occupy at least 2 months.

TO

Bangalore.

Sir,

I have the honor to acknowledge the receipt of your letter NO. Fl. 1015/B 12-12-2 dated the 30th August 1912 directing me to attend the ensuing Conference of the Registrars of Co-operatice Societies to be held at Simla from the 28th to the 30th October next.

2. The deputation to Simla is a convenient opportunity for the Registrar to visit other important centres of Co-operative activity in India, such as, Bombay, Baroda, Lahore, Allahabad, Calcutta, Nagpur &c and study the working of the various Co-operative Institutions of those places on the spot, interviewing the office-bearers, collecting important literature and taking notes of special features of interest from a Co - operative point of view . I therefore request you may kindly obtain for me the sanction of the Government for the extension of my deputation for visiting those places, the entire period

of my absence from the State being confined to a month or at most forty days. I regret I could not give a fuller programme of the tour at this stage, as I propose to fix it definitely only after personally consulting the Registrars at Simla and ascertaining from them the Institutions they would recommend me to visit.

3. It has been usual to sanction the Registrar's taking a Clerk and a peon on duty hitherto. I request that sanction may be obtained under Article 41 (b) Mysore Service Regulation for my taking an Inspector, a Clerk and two peons this time, as the Inspectorate and the office will also be very materially benefitted by the comparative study of co-operative practice in British India.

I have the honor to be
